## About the Program

The latest technological advancements in the global digital era have made the teaching profession, a real challenge for 21st-century educators. The erratic movements in education and technology are the new normal, worldwide. There is a universally felt need for an integrated system of values and academic excellence in the teaching-learning environment. In this scenario, the FDP intends to equip the teaching fraternity with multi-faceted techniques to disseminate knowledge to the young learners effectively. It aims at sharpening the skill-set of the educators, enabling them to be emotionally balanced, intellectually vibrant, professionally competent to inspire, educate and mentor the young learners to soar high in the new digital era. The program further equips the academicians to empower the students to become compassionate, fulfilled individuals, ideal citizens, and contributing members of the world order. The FDP also aspires to address New Education Policy 2020 in higher education from the teacher's perspective.
