About RPA First Grade College, Bengaluru

To accord first priority to understand the requirements of students and provide the best available facilities to achieve the highest standards in education, at an affordable cost and to cater to the educational needs of Socially and Economically weaker sections of the society residing in Rajajinagar locality when obtaining education was too expensive and unaffordable for these sections of the society the Rajajinagar Parents' Education Society was established in 1969. To be amongst the finest institutions in education by providing value based and career-oriented education and create self-reliant citizens with moral values and social responsibilities, RPA First Grade College, a self-sponsored institute, was started in 1993 offering B. Sc, B. Com, BBA and BCA streams with the aim of imparting value based holistic education to the students in higher education. It is reaccredited with B+ grade in the second cycle of National Assessment and Accreditation Council (NAAC), recognized under 2 (f) and 12 (B) of UGC Act 1956 and is permanently affiliated to Bangalore University.

About Primax Foundation, Bengaluru

Primax Foundation was established in the year 2015 and it was registered under the Karnataka Societies Reg. Act 1960 (Reg. No JNR- 211-2015-16) Primax Foundation is established with towering ideals of imparting quality and non-profitable services to the society through Journals, Conference, Seminars, Workshops, Educational Training & Skill Development, Study Circles, Counseling & Initiating Research Activities etc., for total personality development in the society. Primax Foundation is an upcoming Training and Development Center at Bangalore offering a variety of need-based training programs, through ON AND OFF CAMPUS modes. The primary aim is to ensure employability for the students and molding them to suitably fit into all aspects of corporate requirements.

About the FDP

Guidelines for publishing ethics were created to guarantee high-caliber scientific publications, public trust in scientific research, and appropriate recognition of authors' original ideas and contributions. Academics, Research Scholars, and Postgraduate students will have a significant opportunity to connect and exchange their ideas of publication since transparency is another essential but frequently overlooked part of the publication process. This will help everyone understand the concept of publications and its ethics too Come join us for an all-encompassing session aimed at improving your publication, research grant, and scientific writing skills, among other things. This session has been carefully crafted to equip participants with the necessary skills and knowledge to convert research data into material that may be published. Developing your writing and editing skills will greatly increase the likelihood that your papers will be accepted by prestigious journals.

Objectives

- Improve scientific writing and manuscript editing skills.
- Augment acceptance rates in reputable journals.
- Creation of Professional IDs in the various Academic forum
- Discover legitimate publication options and avoid predatory journals.
- Analyzing the selection and funding criteria of research proposal from various agencies

Who can attend?

Faculty Members, Research Scholars, Academic Professionals working abroad & PG Students from any Discipline.
