About Darshan College

“A Unique Campus for Quality Education & Academic Excellence”

St. Anthony's Institutions (Darshan College) Bengaluru, is run by the capuchin Franciscan fathers of the Holy Trinity Province of Karnataka. It was established in 2009 with a view to providing the best in academics for students in Commerce, computers, Business Management and Administration by preparing them to qualify and succeed in various highly competitive career streams. The institutions include St. Anthony's pre university college, Darshan College of Commerce Management Computer Applications and College Hostel. Darshan College is a home away from home, with excellent hostel facilities, infrastructure and dedicated teaching staff who mould, mend and form the future of the nation and of the Globe. It has a learning environment and a fraternal ambience where one feels welcomed and comfortable. It is an institution which treats everyone equally with respect and honor regardless of gender, religion, ethnic origin and nationality. The education imparted in this institute is an ongoing process and a continuous commitment for the emancipation of the mankind. Hence it invests nurtures, cultivates and develops young minds and their talents so that the future generation remains always creative, innovative and responsible for the economic and social growth of the Nation and of the Globe. “An Abode of wisdom that endures HOLISTIC DEVELOPMENT to the leaders of Tomorrow”

About Primax Foundation :

Primax Foundation[®] was established 2015 and it was registered under the Karnataka Societies Reg. Act 1960 (Reg. No JNR-211-2015-16 & IT Exemption - 12A & 80 G) Primax Foundation is established with towering ideals of imparting quality and non-profitable services to the society through Journals, Seminars, Workshops, Educational Training & Skill Development, Study Circles, Counseling & Rehabilitation, Initiating Research Activities etc., for total personality development in the society. Primax Foundation is an upcoming Training and Development Center at Bengaluru offering a variety of need based training programs, through on and off campus modes. The primary aim is to ensure employability for the students and molding them to suitably fit into all aspects of corporate requirements. In addition, its intention is to upgrade the quality of research work among the faculty members involved in Science & Humanities, Commerce, Management Education and the allied fields to ensure that all the research work undertaken, is gainfully employed by the industry, society and the corporate world. Its operational objective is to disseminate, strengthen and enhance knowledge, across all sections of the society.

About FDP Workshop:

Research plays an indispensable role in today's contemporary Academia and Statistics is considered to be the heart of research as it evaluates the credibility and usefulness information, and make appropriate decisions. Most of the users of statistics, as a decision-making tool, feel themselves handicapped in the selection of an appropriate statistical tool, understanding the theoretical concept and interpretation of results in a meaningful way. This workshop has been designed and aimed to facilitate with hands on training for the faculty members, research scholars and corporate professionals under the areas of arts and Science, Management and allied subjects, like economics, statistics, computer applications, commerce, banking, organizational behavior, business policy, sociology, marketing, and labour relations.

Who Can be FDP Participants ?

The FDP is designed for Scientists & Corporate Executives, Faculties of Arts & Science, Research Scholar, Engineering, Medical Practitioner, working in Hospital, Management Schools, Universities, Colleges, Professional Institutes, Staff Training Colleges, Training Centers of Industrial Organizations, and Staff Training Institutes of Central and State Governments. The registered PhD students in any discipline in any Indian University/ Foreign University / Institute are eligible to apply for the workshop

FDP Objectives

1. To provide knowledge on Research Methodologies and design aspects.
2. To provide knowledge to the participants, how to write Funded project & Research article
3. To help the participants to familiarize with the statistical concepts & tools with different statistical software.
4. To develop new techniques in Research Methodology, so as to improve the quality of research work
