About Primax Foundation, Bengaluru, Karnataka

Primax Foundation (Reg. No JNR-211-2015-16), Established in 2015 is a registered non-profit organization located in Bengaluru, Karnataka, India. Being committed to social development, it offers high-quality educational and professional development opportunities through workshops, conferences, seminars, and training programs. These programs encompass journal publications, faculty development, management development, educational and skill development initiatives, and research activities. As an emerging training and development center, Primax Foundation provides both on campus and off campus programs to empowering students, research scholars, and faculty members with the knowledge and skills needed for academic and professional success.

About Dr. Ambedkar Institute of Technology, Bengaluru, Karnataka

Dr. Ambedkar Institute of Technology (Dr. AIT) was founded by M.H. Jayaprakash Narayan in 1980. Named after Dr. B.R. Ambedkar, the institute is affiliated to Visvesvaraya Technological University (VTU), Belagavi and is recognized and accredited by AICTE and NBA respectively. The institution is accredited by NAAC with 'A+' Grade. The Institution has achieved 163 Rank in National Institutional Ranking Framework (NIRF). The institute offers graduate, post graduate and doctoral courses in all its disciplines. In the year 2010, academic autonomy was conferred by the University Grants Commission, New Delhi, which has enabled the institution to frame its own curriculum, examinations and awarding of the degrees.

About BMS College of Commerce and Management, Bengaluru

B.M.S. College of Commerce & Management (BMSCCM) is a prestigious educational institution in Bengaluru India, operating under the aegis of BMS Educational Trust. The College is affiliated to Bengaluru City University since 2018. The college offers undergraduate programs in Commerce, Management, and Computer Applications. Additionally, the college offers Executive Management Program for working professionals on weekends. The curriculum of the College has been curated to impact every aspect of the students' living and learning. The college curriculum encompasses curricular, co-curricular, and extracurricular activities by awarding learning credits to all activities without discriminating. Our belief in adaptive learning provides students with the opportunity to learn at their own respective pace. We believe it's important to learn, reflect and imbibe through practice. Hence, our practice courses provide ample opportunity for our students to apply their learnings in diverse contexts be it social, individualistic, or corporate.
